No. 453. Read the following letter from Captain R. F. OAKES, R. E., Acting
Superintending Engineer, 6th Division, to Colonel C. A. ORR, R. E.,
Secretary to Government, Public Works Department, dated Tanjore, 7th
July 1865, No. 491 :—

SIR,

1. With reference to the Order of Government, No. 1,825, sanctioning an
estimate of Rupees 4,680 for the main-
tenance of Road No. 36, from Nagore to
Negapatam, I have the honor to inform
30th June.

you that the amount for which sanction was solicited was Rupees 4,680, but this
was exclusive of the Rupees 100 per
mile already sanctioned* and not in-
clusive of it, as supposed ; Rupees 600

having been deducted in the estimate, which amounted to Rupees 5,280. The total
annual maintenance allowance for Road No. 36 should, therefore, be Rupees 5,680,
and not Rupees 5,080, as mentioned in paragraph 3 of the Order.

2. Under the main head Communications there are allotments in some of the
Ranges for annual repairs to rivers, amounting to Rupees 6,500 in the aggregate.
In the District generally it may be said we have no water communications except
near the coast, and there to a very limited extent. I propose, therefore, with the
sanction of Government to appropriate Rupees 1,600 from the allotment for River
Repairs for the conservancy of the road from the Carical boundary to Negapatam,
during the current year. It will probably be charged to the allotment for River
Repairs in Range No. 1, Government having already granted authority for the
re-distribution of the allotments to the various Ranges in their Orders Nos. 1,592
and 1,711, dated 9th and 20th June 1865.
