*Proceedings of the Madras Government, Public Works Department,
18th July 1865.*

No. 457. Read the following letter from Lieutenant-Colonel G. W. WALKER, R. E., Superintending Engineer, 7th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Department Public Works, dated Coimbatore, 11th July 1865, No. 60 :—

SIR,

1. I am concerned to find from G. O. No. 1,906 of 7th July, that such delay has occurred in submission of the Appropriation Return of the month of May for the Malabar District. I was under the impression that I had despatched it from Coimbatore a month ago.

2. I cannot understand how my Manager has so entirely failed to follow out the plain instructions on this head, conveyed in the Controller's Circular, No. XXXIV., which I brought to his attention immediately on being informed of the delay that had occurred. But from the accompanying rough draft submitted by him for my approval, it would appear as if he had so misunderstood that Circular as to suppose that all monthly papers were to depend upon and be delayed by the Progress Report. The correct preparation of that document for April, for Malabar District, a volume of upwards of 100 pages, was unusually delayed by absences of members of the Office Establishment from sickness and other causes.

3. I trust similar delay will never again occur. The Appropriation Report for May has gone in.

No. 458. ORDER THEREON, 18th July 1865, No. 2,056.

ACCOUNT, No. 76.
