Proceedings of the Madras Government, Public Works Department.

18th July 1865.

No. 468. Read the following letter from Lieutenant-Colonel J. C. ANDERSON, R. E., Consulting Engineer for Railways, to A. J. ARBUTHNOT, Esq., Chief Secretary to Government, Fort Saint George, dated Madras, 6th July 1865, No. 328 :—

SIR,
I have the honor to transmit, for the information of Government, an Extract from a letter* addressed by the Agent of the Great Southern of India Railway to the Board of Directors in England, relative to the Negapatam Harbour.

* No. 129, dated 24th June 1865.

NEGAPATAM HARBOUR.

Captain Bean has left the District, and since his departure we have had Captain Palmer (for a week), Colonel Greenaway, and Captain Oakes, each in turn has inspected the river, but I am sorry to say no work has been done, and the dredge still continues unused. Laden boats cannot now cross the bar at low-tide, and the clearing of our ships as a consequence is retarded. Captain Oakes was in charge of this District when I first arrived in India, and he was one of the members of the Committee which recommended the improvement of according to the plan published with one of our Annual Reports.
