*Proceedings of the Madras Government, Public Works Department,
19th July 1865.*

No. 484. Read the following letter from Captain J. MULLINS, R. E., Consulting Engineer for Irrigation and Canal Company, to Colonel C. A. ORR, R. E., Secretary to Government, Department Public Works, dated Madras, 11th July 1865, No. 53 :—

Sm,
1. In their Order of the 29th August 1864, No. 2,477, the Government passed Orders on an application from C. Vencatasawmy Naidoo, who had been the Record-keeper in this Office, and who had been dismissed for disobedience, and, in declining to restore him to his appointment, they stated that no objection would be made to his re-admission into the public service on his passing the prescribed examination.

2. The appointment of Record-keeper in this Office is likely to become vacant at the close of this month, and I think that C. Vencatasawmy's conduct since last year has been such as to warrant my soliciting the Government so far to modify their order above referred to as to exempt him from the examination for the Uncovenanted Civil Service. When in September last a small addition was made to the strength of my Office, I gave C. Vencatasawmy Naidoo a Clerk's post on Rupees 20 a month. In November 1864, the newly appointed Record-keeper was obliged to go away on sick certificate, and C. Vencatasawmy was appointed to act for him, but under the regulations he could not draw more than Rupees 25 a month, and on that pay he continued to perform the duties cheerfully and satisfactorily for seven months, to which the leave of absence of the Record-keeper was prolonged on successive medical recommendations.

3. It will be seen, therefore, that C. Vencatasawmy Naidoo has been doing his best to re-establish the good character which he held prior to the unfortunate act which led to his removal last year from the public service, and such being the case, I hope the Government will accede to my recommendation for his restoration to his old appointment on the occurrence for a vacancy.

No. 485.
