*Proceedings of the Madras Government, Public Works Department,
20th July 1865.*

Read the following papers:—

No. 504. Petition from C. NARRAINIYENGAR, late a Contractor in the Public Works Department.

States that only Rupees 70 out of Rupees 160, claimed by him for work done on the roads near Trivellum, were paid to him by the Superintending Engineer of the 4th Division, and requests that the difference may be ordered to be disbursed. (Here enter 5th May 1865.)

No. 505. From Colonel A. J. M. BOILEAU, R. E., Superintending Engineer, 4th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Madras, 21st June 1865, No. 677.

SIR,

1. I have the honor to inform you that the reason that only 70 Rupees were paid out of 160 Rupees claimed by Narrain Iyengar, lately a Contractor on the roads near Trivellum, in the North Arcot District, in his Petition dated 5th May

1 Petition with Secretary's Endorsement.
1 Letter from Executive Engineer.

1865, to your address, forwarded to me in your endorsement No. 1,101, dated 8th June 1865, is that the Executive Engineer reported, in the absence of the bill which was forwarded to the late Chedambarum Moodelliar, and is not to be found on the Office records, that information had been obtained from the Village Monegar that work actually done would amount to between 60 and 70 Rupees. The latter sum was accordingly ordered to be paid.

No. 506. ORDER THEREON, 20th July 1865, No. 2,080.

ACCOUNT, No. 84.

Having perused the papers above recorded, the Governor in Council observes that there are no records in the Range Office to disprove the claim for Rupees 160 submitted by C. Narrain

Iyengar, late a Contractor on the roads near Trivellum, in the North Arcot District, and that bills for that amount appear to have been delivered to him by Taluq Overseer Mr. B. Murry. Under these circumstances the Government consider that the Contractor is entitled to the full amount claimed by him, and they accordingly request the Superintending Engineer of the 4th Division to disburse the amount minus Rupees (70) seventy already paid.

Colonel. C. of the R. E.
Secretary to Government Pub-
lick Works Department
Fort St. George.

The humble address of - C.
Narain, formerly a Contractor
in the D. P. W. now residing at in
the Chetty Street at Chingleput.

Most Honoured Sir,

In the year 1862, I have as a
Contractor, conducted the works of the local and junction
roads from Teroovalum, a Railway Station, leading to Chittoor.
The said works done under me, were superintended by one
Messrs B. Henry an overseer of the Goodigatum Taluq in the said
Chittoor District, and he gave me 2 Bills one for 125 Rs. and
another for Rupees 384 odd making a total of Rupees 509 odd.
I delivered the said two Bills to one Chithumbara Mudaly
that was attending the Range business of that Taluq and
asked him for money. He put off without paying the
Bill amount by vain promises of immediate payment as
soon as he gets money, which was not then in hand, (as he said)
His successor - M. M. S. Mudaly also followed the course
of his predecessor. This I have complained to Colonel Bailey
Superintending Engineer of the 7th Range, and also to your

honor thro' several applications. After all, I received the endorsements Nos 5916 and 6378 dated 6 March 1865 and 5 April 1865 respectively and also an endorsement from the Government No 457 dated 23 March 1865 directing payment of the money due on my said Bills.

I demanded Captain Christy a Range Officer at Chittoor, producing the said endorsements to pay me my money, and he paid me only seventy (70) Rs on the 28 April 1865, saying that he got orders from Col. Poilow only to that amount, and if I could get orders for any more sums, he will pay me the rest.

While I have done works in the said roads which were only superintended by Mr. B. Murray the overseer who gave me the said 2 Bills for Rs 1600 odd which I have delivered to the said Inmoosawmy Mudali. I don't see any reason why they have delayed payment up to this time and am still more at loss why they not pay me the money full amount, when after the sanction of Government which I obtained with so much difficulty after some years.

Under these reasons I beg His Excellency the Governor in Council would order the Examination of Inmoosawmy Mudaly and Inassilawmany Mudaly the Accountant and Lascar In Muhammad Saib employed in the said Range as to the payment of the said Bills and of the Office record and then order the payment of the remaining Balance of Rupees 90 after deducting Rs 70 which I have

received.

For which act of Charity and Kindness I shall ever feel much obliged.

I beg to remain Sir

Your most obedient and humble
Servant.
