MILITARY DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following papers:—

Memorandum from the Quarter Master General, Head Quarters, Ootacamund, 4th July 1865, No. ¹⁵⁰/₇₀₂₁; to the Secretary to Government, Military Department, Fort Saint George.

Forwarded to Government, in order that the work to the Sapper Hospital at Bangalore may be executed.

Major General Haines has been informed that the sick European Sappers should be sent to the nearest European Hospital for treatment.

From the Officer Commanding Mysore Division, Head Quarters, Bangalore, 1st June 1865, No. 184; to the Quarter Master General, Head Quarters.

I have the honor to bring to the notice of His Excellency the Commander-in-Chief, certain inconvenient arrangements connected with the Sapper Hospital at this Station.

I. The European ward is immediately in rear of the Native ward.

II. Though furnished with ridge, and upper window ventilation; from its position, I consider the building ill-adapted to the accommodation of sick Europeans. The Native ward obstructing ventilation in front.

III. There is only one Latrine for promiscuous use, both by Europeans and Natives.

IV. The accommodation for a Surgery, and for the Medical Stores in the Sapper Hospital is insufficient.

2. I am loath to recommend the construction of a new ward for the very few European Sappers, who require Hospital treatment, and would therefore request permission to attach all such to a European Regiment for Medical treatment only.

3. I am the more inclined to recommend this plan, as there is positively no site available for the construction of a ward for Europeans in the vicinity of the Sapper Hospital.

From the Officer Commanding Mysore Division, Head Quarters, Bangalore, 26th June 1865, No. 208; to the Quarter Master General, Head Quarters, Ootacamund.

In continuation of my letter, No. 184 of the 1st instant, and with reference to your's, as per

No. 5 of the 10th Instant.

margin, I have the honor to report for the information of His Excellency the Commander-in-Chief, that the Executive Engineer roughly esti-

mates the cost of providing additional Surgery accommodation for the Sapper Hospital, at Rupees 80.

I take this opportunity of bringing to His Excellency's notice, that the Hospital is devoid of Bath-room accommodation for the use of the patients, and that to construct this would cost approximately 500 Rupees.

ORDER, No. 2603, 13th July 1865.

Communicated to the Department Public Works, in view to a Plan and Estimate for the additional alterations to the Sapper Hospital at Bangalore, being called for and submitted to Government.

(True Extract.)
