No. 514.

MEMORANDUM.

The undersigned begs to bring to notice that no definite orders, on the subject of supply and repair of Barrack furniture and fixtures, appear to have been made applicable to Hyderabad. The Deputy Controller of Public Works Accounts, Hyderabad, has referred to this Office, cases in which he has taken objection to the supply of Skittle Pins and of fringes for Punks by this Department, but in which he has been over-ruled by the Chief Engineer, on the ground that Public Works Circular, No. 103 of 1862, has not been made applicable to Hyderabad.

2. The general question regarding furniture and fixtures for Troops of the Madras Army, may be considered to have been settled by the Government of Madras in the Military Department, which ruled in its Proceedings, No. 2473, dated 19th July 1864, that in British Burmah "all repairs and supply of Barrack fixtures and buildings are to be executed by the Public Works Department, and provided for in the Budget Estimates, and repair and supply of Barrack furniture are to be provided for by the Commissariat Department. The aid of the Public Works Department will be available for making and repairing furniture, when it may be desirable to seek it, the Officers of that Department being placed in funds for the purpose, by the Officers of the indenting Department."

3. This is, in fact, the system under the Government of India, and the rule, though laid down for British Burmah only, appears equally applicable to Hyderabad, and it seems desirable that the Military Department should be moved to make it so. On this being done, the orders passed in Public Works Circular, No. 103 of 1862, might be made applicable to Hyderabad, in order that Officers in that Province may have some definite rules to guide them as to what articles are fixtures, and what are not.
