In reply to Official Memorandum No. 321, from the Superintending Engineer to your address, and, with reference to Proceedings of Madras Government, Public Works Department, dated 6th instant, I beg to state, that when I was about to be re-appointed to the Department, Colonel Orr was good enough to promise me speedy promotion to the Grade of Supervisor 1st Class, which would give me a salary equal to the highest offered by the Deputy Commissioner of Chandah. The rank of Local Engineer would not, I believe, give me a higher standing in the Department than I at present hold, but if Colonel Orr will kindly recommend it to the Commissioner to give me the higher salary mentioned in his letter from the date of my proceeding to join his District together with travelling expenses paid, I will have no objection to going.
