*Proceedings of the Madras Government, Public Works Department,
25th July 1865.*

No. 626. Read the following letter from Lieutenant-Colonel G. V. WINSOM,
R. E., Superintending Engineer, 2nd Division, to Colonel C. A. ORR,
R. E., Secretary to Government, Department Public Works, dated Masulipatam, 12th July 1865, No. 45 :—

SIR,

1. With reference to G. O. No. 1,888, dated 6th July 1865, requesting me to report from what source the cost of the repairs of the Civil Dispensary at Masulipatam can be met, I have the honor to state that, owing to the heavy damage done by the cyclone to works of all descriptions in the Kistna District, no money from the funds allotted can be spared for the object in view.

2. Under these circumstances, Mr. Thornhill, the Collector, is of opinion, and I fully agree, that whilst it is appropriate to solicit Government to sanction the amount from the Reserve, as a special case, the repairs of the Dispensary will, in the event of money not being available from that source, be a fit matter to place before the Committee for the relief of the distressed in Masulipatam, with a view to a grant being made from the Relief Fund.

No. 627. ORDER THEREON, 25th July 1865, No. 2,141.

ACCOUNT, No. 99.

As the Reserve is not available for appropriation to repairs, and as it appears from the foregoing letter that the Superintending Engineer of the 2nd Division is unable to provide funds for the repair of the Civil Dispensary at Masulipatam, the Government approve of application being made to the Cyclone Relief Committee for a grant from the funds at their disposal to meet the cost of the work, as suggested in paragraph 2.
