*Proceedings of the Madras Government, Public Works Department,
- 27th July 1865.*

No. 674. Read the following letter from Captain R. F. OAKES, R. E., Acting Superintending Engineer, 6th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Tanjore, 18th July 1865, No. 590 :—

SIR,

1. I have the honor to inform you that the Judge of the Court of Small Causes at Negapatam states that the ward for the accommodation of ten male prisoners is urgently required at Negapatam.

4th November 1864.

Rupees 1,070.

2. Government in their Order No. 3,181, directed that application should be made for the requisite funds for this work after the 1st May, I regret that this order was over-looked in my Office, and I fear that it is now too late to obtain funds for this work. If the amount could be sanctioned now, it is probable we should not be able to undertake the work till after the monsoon. I cannot at present state what may be the demand for Minor New Works within the next six months, but I would solicit the sanction of Government to the execution of the work conditionally from the sum allotted in the Budget for Minor New Works, and if funds can be spared from that allotment I will push on with the work after the monsoon, when I shall be able to judge what will be the probable demand on the allotment for Minor New Works.

No. 675.

ORDER THEREON, 27th July 1865, No. 2,166.

ACCOUNT, No. 105.

The Government approve of the additional ward to the Taluq Cutcherry at Negapatam being proceeded with after the monsoon from the allotment for Minor New Works in the Tanjore District, should funds be available from that source. In the event of the Superintending Engineer being unable to provide the amount required, he will report the circumstance for the orders of Government.
