MILITARY DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter:—

From the Secretary to the Government of India, Public Works Department, Simla,
26th June 1865, No. 571A; to the Secretary to Government, Public Works Depart-
ment, Madras.

Account.

I am directed to acknowledge receipt of your letter, No. 1371, dated 19th May 1865, requesting sanction to a transfer of Rupees 14,270, from the 'grant for Minor Works, Military; to be applied to the construction of buildings required for the introduction of Doctor Duff's Cooking-ranges for the use of the European Troops at Bangalore, and in reply to inform you that, experiments with these Cooking-ranges have not proved altogether satisfactory in this Presidency. A simpler kind is now being tried at Dugshai; on the result of this experiment being known, a revised Plan of Cook-house will be issued.

2. The Governor General in Council is pleased to approve the above allotment for the general purpose of improving Cook-houses at Bangalore; but I am to remark that it will perhaps be advisable that the Madras Government should not commence actual work, or decide upon the ranges to be adopted, before the receipt of the new Standard Plan, and a statement of the results of the Dugshai experiments.

Referred to the Military Department. Funds are available for the buildings.

11th July 1865.

(Signed) C. A. ORR, Colonel, R. E.,
Secy. to Govt., P. W. D.

ORDER, No. 2719, 21st July 1865.

Communicated to the Commander-in-Chief.

3. The Governor in Council considers it desirable to await the receipt of the new Standard Plan of Cook-houses, and the report on the experiment now in operation at Dugshai, before any new work for Duff's ranges is undertaken.
