*Proceedings of the Madras Government, Public Works Department,
31st July 1865.*

No. 706. Read the following letter from Captain J. F. FISCHER, R. E.,
Controller of Public Works Accounts, to Colonel C. A. ORR, R. E.,
Secretary to Government, Public Works Department, dated Madras, 24th
July 1865, No. 794 :—

SIR,
I have the honor, under paragraph 13, Chapter IV. of the New Code, to forward
the bills noted below, for works executed in the District of Vizagapatam. None of
these bills have been prepared in the new form, as directed in Chapter XX. of the New
Code, circulated with the late Chief Engineer's Circular No. CLXXXII., dated the
3rd April 1861. I called on the Superintending Engineer to report the cause of
non-attendance to the rules, who in his reply explains, that these works were carried
on partly by Contractor and partly by the Department of Public Works, and the
Station books were not kept in such a manner as to admit of the preparation of
the bills in the new form. The vouchers now received for these works, however,
afford the desired information, and the subsequent bills will be rendered in the
new form; but I deem it proper to submit
for the special orders of Government, with
reference to their Proceedings marginally
noted.
