SIR,

With reference to paragraph 2, G. O. No. 1,881 of the 5th instant, and the Proceedings of Government as per margin,* I have the honor to apply for authority for the entertainment of the additional Writers (or Assistant Accountants according to the nomenclature in the Controller's scale) on the rates of pay proposed in my letter No. 199, dated 6th June 1865. No. 711. ORDER THEREON, 31st July 1865, No. 2,184.

ESTABLISHMENT, No. 89.

The issue of orders regarding the re-distribution of Range Establishments is delayed owing to the non-receipt from the Superintending Engineer, 4th Division, of his report on the subject; but as this report, the submission of which Colonel Boileau will expedite, may shortly be expected, the Government are unable to sanction the additional establishment applied for in this letter, while the staff of Accountants in the Superintending Engineer's Office is still maintained. They will, however, be prepared to authorize any temporary increases to the Establishments of Ranges in which the necessity for such aid is most felt, if Captain Ryves can show savings in the aggregate cost of the Establishment of his Division from which the extra charge may be met.

Secretary to Government.
