*Proceedings of the Madras Government, Public Works Department,
1st August 1865.*

No. 26. Read the following letter from Major T. GILLILAN, Acting Military Accountant, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Fort Saint George, 18th July 1865, No. 54:—

SIR,

With reference to the last paragraph of your letter No. 4,476, dated 3rd December 1862, I have the honor to inform you, that as it appears from the Army List last published, that Mr. W. Arnold, Deputy Commissary, retired from the Service in England on the 30th October 1864, you will be good enough to inform me regarding the steps to be taken for the adjustment of the advance of Rupees 55 made by the Sub-Treasurer to Corporal E. Morton of the 3rd Madras European Regiment.

No. 27. ORDER THEREON, 1st August 1865, No. 2,200.

ACCOUNT, No. 8.

1. The advance of Rupees 55, referred to in this letter, was made to Corporal E. Morton in October 1856, on his appointment to the Public Works Department as a Probationary Assistant Overseer.

2. It appears that Corporal Morton was employed on Trunk Road No. 7, under the immediate orders of Supervisor Arnold, and that in consequence of the restrictive orders in July 1857 he was remanded to his corps.

3. In a letter to the Officer Commanding the Divisional Military Police Battalion at Jubbapore, dated 3rd January 1860, Corporal Morton alleged that the advance in question had been deducted from his salary for November 1856 by Supervisor Arnold; to whom a reference was accordingly made upon the subject by the late Chief Engineer. In reply, Mr. Arnold stated that he could not remember how the advance had been adjusted, but that the particulars connected therewith would be found in the books of Trunk Road No. 7, which were with the District Engineer of the Kistna. Colonel Anderson, the late District Engineer, however reported that although a careful search had been made into the accounts of the road, no entry of the transaction could be discovered.

4. In the letter above recorded, the Acting Military Accountant requests to be furnished with information regarding the steps to be taken for the adjustment of the advance. As Mr. Deputy Commissary Arnold has retired from the Service, and as Corporal Morton has purchased his discharge, the Government consider it unnecessary to pursue the matter further, and they accordingly direct that the amount be written off to "profit and loss."
