SIR,

1. With reference to G. O. 2. I beg also to know, supposing a person has had fifteen days' privilege leave in January, if he may take the remainder in July, provided six months have elapsed, or if it means that having had some privilege in one year he cannot have any more in that year, but that if he had happened to have had fifteen days' privilege leave in June of one year, he may have a month in January of the following year, provided six months have elapsed since his return from previous leave.
