*Proceedings of the Madras Government, Public Department,
26th July 1865.*

No. 116. Read the following letter from Captain J. G. RYVES, R. E., Superintending Engineer, 1st Division, to Colonel C. A. ORR, R. E., Secretary to Government, Department Public Works, Madras; dated Waltair, 24th June 1865, No. 388.

As required by the Order of Government, under date 16th instant, I have the honor to repeat (vide paragraph 6 of my Report, dated 5th ultimo) that there is no doubt as to the eligibility for building purposes of the site referred to, and that Rupees 1½ per square yard is readily paid for such land. I cannot, of course, assure Government that the land will sell at that price; it will probably fetch a higher price. The Collector, the Executive Engineer, and the records of previous sales, are the authorities on which I base my estimate of the probable selling rate of such land.

Referred to the Public Department, with reference to the orders in that Department, No. 625, dated 9th June 1865.

FORT SAINT GEORGE,
5th July 1865.
