Proceedings of the Madras Government, Public Works Department,
3rd August 1865.

No. 76. Read the following letter from Colonel A. J. M. BOILEAU, R. E.,
Superintending Engineer, 4th Division, to Colonel C. A. ORR, R. E.,
Secretary to Government, Public Works Department, dated Madras, 27th
July 1865, No. 1,073 :—

SIR,
1. The Wallajah Range has ordinarily been considered the head quarter
Range of the North Arcot District, and
1 Copy of letter No. 202, dated 17th July 1865. until April 1864 had always been in
charge of the Executive Engineer; but I found it at that time expedient to place
Captain Chrystie in charge of the Chittoor Range, leaving Mr. Supervisor Booth
in charge of the Wallajah Range. With the consent of both Range Officers, how-
ever, I left the Executive Engineer's Office Establishment with the Supervisor, and
that of the Supervisor with the Executive Engineer.

2. Captain Chrystie has now reported "that during the past year he has expe-
rienced the very greatest difficulty in keeping his Office work *an courant*; and
"that he has only succeeded in doing so by doing a vast amount of office drudgery,
"such as copying letters, and checking accounts himself." That Officer has there-
fore applied for an immediate increase of his Establishment under the terms of
G. O. No. 1,881, dated 5th July 1865. As, however, the Controller has very recently
objected to pass Mr. Booth's abstract of pay drawn for the full Establishment of an
Executive Engineer, I have thought it best to cancel the transfer before alluded to,
allowing each Officer his own proper
Establishment. By this arrangement an
immediate increase of Mr. Supervisor
Booth's Establishment to the extent of
Rupees 103 is urgently required, and I
have the honor strongly to recommend
it under the G. O. above quoted.

ESTABLISHMENT, No. 11.

As the reports called for in Proceed-
ings No. 1,476, dated 1st June 1865,
regarding the Office Establishments to
be allotted to the several Ranges in this Presidency have been received, and will
shortly be disposed of, the Government consider it unnecessary to grant special
sanction to the entertainment of the increased Establishment recommended by the
Superintending Engineer of the 4th Division for the Wallajah Range of the North
Arcot District.

In acknowledging the receipt of the G.O. No 1881 dated 5th Inst.

I have the honor to admit that an increase to my Office Establishment in view of the cases of special necessity to which Government allude in their 3rd Para.

For special reasons you find it necessary to transfer to the Supervisor in charge of the Wallajah Range the Establishment to which I am in the Department entitled and to assign to me the Supervisor's Establishment. I have thus only one Writer on Rupees 30 per mensem.

My Range consists of 3 Taluqs and 2 large Zemindari's and the number

number of subordinates under me
of course makes the Office a correspond-
ence heavier than that of a smaller
Range, but besides this station being
the Civil Head Quarters of the District,
a very great deal of Office work,
both plain drawing and correspondence,
arises from the requisitions of the
District Head of Departments for
addition to the civil buildings
such as the Jail, Stitches Court
House &c.

4 — Under these circumstances
I have experienced during the past
year the very greatest difficulty in
keeping my Office work "au courant",
and I have only succeeded in doing
so by doing a vast amount of Office
dudger, such as copying letters
and checking accounts myself.
The recent order to keep all docu-
ments in duplicate with a view
to the monthly audit of accounts
have completely swamped me
and day by day arrears of Office
work are accumulating which
no efforts on my part can keep down.
5 — If you will obtain the

Sanction of Government to the
immediate employment of the
draughtsman sanctioned for
this Office in G.O. No. 1137 dated 28th
April, I hope with that much
assistance to be able to carry on the
duties of the Office until sanction
is given for the employment
of the additional Accountant
on the final closing of the
account Department of your Office.
