*Proceedings of the Madras Government, Public Works Department,
5th August 1865.*

No. 160. Read the following letter from Lieutenant-Colonel E. A. FOORD,
R. E., Superintending Engineer, 5th Division, to Colonel C. A. ORR, R. E.,
Secretary to Government, Public Works Department, dated Bangalore,
25th July 1865, No. 954 :—

SIR,

1. With reference to the Order of Government of the 17th July 1865,
No. 2,029, I have the honor to state that I do not anticipate any difficulty in provid-
ing funds for the repair of the Post Office buildings at Bangalore and Porto Novo,
from the maintenance grants of the roads in this Division, but, at this early period of
the year, I cannot name the roads from which the amounts can best be spared.

2. The road from which the amount is now taken, may be so seriously
damaged by a storm next month, as to require not only the whole of its mainte-
nance grant, but much more. This would necessitate a reference to Government,
and a re-distribution of funds, to be followed, perhaps by another reference and
another re-distribution.

3. I request, therefore, that I may be allowed to charge the cost of repairing
these buildings to the maintenance grants of the roads in general for the present,
and report later in the year from which road or roads the amount will be deducted.

No. 161. ORDER THEREON, 5th August 1865, No. 2,262.

ACCOUNT, No. 24.

The arrangement proposed in paragraph
3 is approved.
