* No. 391 of 7th June 1865.

1. In forwarding the Memorandum* on the Appropriation Returns of Cuddapah and Bellary Districts for April 1865, I have the honor to state that the Superintending Engineer, 3rd Division, has made appropriations in April 1865, Rupees 48-10-0 on "repairs of Military buildings," and Rupees 1,085-8-8 on "repairs of Communication" in Cuddapah, and Rupees 12,705-3-5 on "repairs of Military buildings" at Bellary; these excesses the Superintending Engineer brought to notice, in the Memorandum in question, were occasioned in consequence of the allotments having been found insufficient under the above heads.

2. These excesses in Cuddapah District can be met from a saving under the head "Civil Buildings,"† while that in

‡ Rupees 17,804

3. It would be as well to note here, that the attention of the Superintending Engineer should be drawn to the irregularity of making appropriations in the last month of the year to a large amount, against heads under which no balances were in favor, and for works some of which were undertaken in advances before the appropriations were made, thus resulting in the excess appropriations being disallowed as they must be, and excluded from the General Return to the Accountant General, Public Works Department, because they were made without funds at credit being available.

ORDER THEREON, 5th August 1865, No. 2,264.
