*Proceedings of the Madras Government, Public Works Department,
7th August 1865.*

Read the following papers :—

No. 188. From Lieutenant-Colonel G. W. WALKER, R. E., Superintending Engineer, 7th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Department Public Works, dated Coonoor, 3rd August 1865, No. 77 :—

Sir,
With reference to G. O. No. 1,925 of 8th July, and G. O. No. 2,004 of 14th July, I have the honor to report that an immediate increase of Establishment in Calicut Range is most desirable on account of the large expenditure in it from all funds. The North Wynad Establishment has not been increased in numbers, but the higher rate of pay sanctioned in G. O. No. 1,137 of 28th April has been passed, and, considering the hardships of life in Wynad, I think it may be continued without giving any claim for continuance of such higher rate after final settlement of the Establishments to be maintained. So with the Canara Ranges, temporarily held by one Supervisor, to strengthen his hands. Two of the Accountants of these Ranges are men who drew equivalent salaries in my own Office, now struck out from my abstracts.

No. 189. From the Superintending Engineer of the 7th Division.

Forwarding to the Controller, through the Secretary to Government, Pay Abstracts of the Mangalore and Coondapoor Ranges for June and July 1865, and travelling allowance bill of the Mangalore Range for May 1865. (Here enter 5th August 1865, No. 21.)

No. 190. ORDER THEREON, 7th August 1865, No. 2,275.

ESTABLISHMENT, No. 25.

1. The bills received with the second of the papers above recorded will be forwarded to the Controller of Public Works Accounts, to be passed for payment after audit.
2. The Range Office Establishments in the 7th Division should be at once organized on the scale sanctioned in G. O. No. 2,236, dated 4th instant.
