Dated 8-8

18-65

Not to be folded or roughly handled

*Proceedings of the Madras Government, Public Works Department,
8th August 1865.*

No. 197. Read the following letter from Captain J. G. RYVES, R. E., Superintending Engineer, 1st Division, to Colonel C. A. ORR, R. E., Secretary to Government, Department Public Works, dated Waltair, 20th July 1865, No. 557 :—

Sir,

1. Captain Beatty, the Executive Engineer, Vizagapatam, has requested me to submit an application to Government for an Establishment of one Gumashta at 15 Rupees per mensem, and two Lascars at 12 Rupees, total 27 Rupees per mensem, for the additional Overseer attached to this District and posted to his Range.

2. There is no doubt that the Establishment is absolutely necessary, as without it the Overseer cannot be worked to half his full power; and I think it is desirable that the appointments should be on the regular Establishment, as in that case a more respectable class of men can be obtained than could be got for the same pay on the Petty Establishment List.

3. Without such an Establishment, the Overseer cannot be held responsible for the correctness of Telugu accounts, which it must be remembered will be now hurried through the Range Office to the Controller's Office, where an intelligent and practical scrutiny cannot be expected.

4. In this particular case the Overseer will have to supervise an expenditure averaging Rupees 2,500 per mensem, spread over a considerable area of country, and will require the Lascars for the safe custody of the cash continually passing through his hands and in drawing it from Treasuries.

5. The extra charge will be amply covered by savings from the office travelling allowances grant for this Division.

No. 198. ORDER THEREON, 8th August 1865, No. 2,279.

ESTABLISHMENT, No. 26.

1. Under the circumstances explained, the Governor in Council sanctions the Establishment applied for in paragraph 1. Its cost will be charged to the Budget allotment of Rupees 20,000 for temporary Establishments.

2. The Government are unable to authorize any *permanent* increase to the Office Establishments attached to the Vizagapatam District.

(True Extract.)

Madras.

Sir

Captain Beatty the Executive Engr,
Tirunelveli, has requested me to submit
an application to Government for an
Establishment of 1 Gomasta at 15 Rupees
per mensem and 2 Lascars at 12 Rupees
total 27 Rupees per mensem, for the additional
Overseer attached to this District posted to
his Range.

2. There is no doubt that the Establishment
is absolutely necessary, as without it the
Overseer cannot be worked to half his full
power: and I think it is desirable that the
appointments should be on the regular esta.

Establishment as in that case a more respectable class of men can be obtained than could be got for the same pay on the Petty Establishment list.

3. Without such an Establishment, the Officers cannot be held responsible for the correctness of Belguin accounts, which it must be remembered will be now hurried through the Range Office to the Controller's Office where an intelligent and practical scrutiny cannot be expected.

4. In this particular case the Overseer will have to supervise an Expenditure averaging Rupees 2,500 per mensem, spread over a considerable area of country, and will require the Lascars for the safe Custody of the Cash continually passing through his hands and in drawing it from Treasuries.

5. The Extra charge will be amply
covered by savings from the office
travelling

travelling allowances grant for this
Division. -
