*Proceedings of the Madras Government, Public Works Department,
8th August 1865.*

No. 216. Read the following Memorandum from the Chief Secretary to Government, Judicial Department :—
(Here enter 1st August 1865, No. 307.)

From W. ROBINSON, Esq., Inspector General of M. Police, to the Honorable A. J. ARBUTHNOT,
Chief Secretary to Government, Fort Saint George, dated Kotagiri, 20th July 1865,
No. 1,433.

SIR,

1. Convicts passing up and down the rail are halted at Salem for the night.
The Jail is five or six miles from the station (Suramungalum), too great a distance to march
Convicts late in the evening, or they lose the morning train. Further, the Inspector General of Jail,
has forbidden the Jail Officers at Salem to receive such passenger Convicts into the Jail.
2. A safe Lock-up at Suramungalum is indispensable, and emergently required.
3. I requested Mr. Rohde to allot part of his Budget grant for buildings, to this purpose.
He is unable to do so ; as his estimate has been cut down below what he will require for his regular
Jails.
4. I have therefore the honor to request that the Government will, if possible, allot some
funds for this emergent work. It is not a Police building, and my Budget is below the requirements
of the year.
5. Mr. Rohde concurs the accommodation is indispensably necessary.

No. 217. ORDER THEREON, 8th August 1865, No. 2,288.

CIVIL WORKS, No. 28.

The Superintending Engineer of the 5th
Division will be requested to prepare and
submit without delay, in communication with
the Inspector General of Police, a plan and estimate for a Lock-up at Suramungalum
in the Salem District.
