No. 218. Read the following letter from Lieutenant-Colonel F. J. MOBERLY, R. E., Superintending Engineer, 8th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Department Public Works, dated Courtallum, 26th July 1865, No. 667:—

SIR,

1. I have the honor to enclose two estimates as follow, for sanction from Reserve Minor New Works:—

2 Abstract Estimates.	
Re-building a platform bridge of four vents across Array-	RS.
alay channel, on Road No. 10, Tinnevely District ...	1,335
Adding two vents each 6 x 7 to the bridge across the	
supply channel of Vulliyoor Periacolum, on Road	
No. 10, do. do. ...	520

2. These two bridges on the road from Tenkasy to Trunk Road No. 4, towards Trivandrum, cause much inconvenience to a considerable traffic.

3. Work has been commenced on them, see my No. 1,363, on which G. O. 3,079, 26th October 1864, was passed, and I trust that Government will be able to increase my allotment to this amount.

No. 219. ORDER THEREON, 9th August 1865, No. 2,289.

CIVIL WORKS, No. 29.

1. The Governor in Council sanctions the estimates submitted with this letter for the undermentioned works in the Tinnevely District:—

1st.—Re-building a platform bridge of four vents across	RS.
the Arrayalay channel on Road No. 10 ...	1,335
2nd.—Adding two vents to the bridge across the supply	
channel of Vulliyoor Periacolum, on do. do. ...	520

2. As the whole of the Reserve for "Civil Works" has been appropriated, the Government are unable to allot funds from that source to meet the proposed outlay on these bridges. The execution of the works may, however, be proceeded with in anticipation of a specific allotment later in the year.

3. Colonel Moberly will be requested to report the amount expended on each work up to the 30th April last, under the Orders* noted in the margin.
