PROCEEDINGS OF THE BOARD OF REVENUE, dated 18th July 1865.

Read the following letter from J. W. B. DYKES, Esq., Collector of Nellore, to R. A. DALYELL, Esq., Acting Secretary to the Board of Revenue, dated 30th June 1865, No. 153 —

1. I have the honor to acknowledge the receipt with the Board's Proceedings of the 21st of the orders of Government of the 12th, Public Works Department, No 1,620, directing that if the Anikut Toll house on the Pennair has been constructed from Local Funds, the amount should now be re-imbursed from the current year's tolls, from which source the charge was originally directed to be met.

2. The reason why the original order was not carried out, as to the source from which the charge should be met, was simply that the tolls that year were carried to Imperial Revenue.*

* Board's Proceedings, 8th September 1863

3. And the tolls having since been credited to the Local Funds, it is obvious that the order under acknowledgment does not re-imburse the Local Funds,† for the amount expended in building the toll house.

† Board's Proceedings, 15th March 1864

4. "The current year's proceeds" will come to the Local Funds any how, and what is required is a disbursement from the Imperial Funds to which the toll proceeds were credited when they should have been held available for the toll house.

5. And I, therefore, request that the Board will be pleased to give the question their consideration, and should they think fit, to recommend that the re-imbusement be made to funds that can all meet any loss.

Submitted to Government with reference to the Order under date 19th June 1865, No. 1,358. It seems to the Board that a transfer of Rupees 831 should now be made from Imperial to Local Funds.

(A true Copy and Extract.)
