*Proceedings of the Madras Government, Public Works Department,
10th August 1865.*

No. 245. Read the following letter from L. BOWRING, Esq., Commissioner for the Government of the Territories of His Highness the Maha Rajah of Mysore, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, Fort Saint George, dated Bangalore, 28th July 1865, No. 1,618-12:—

SIR,

In reply to your letter No. 568-2.110, dated 21st instant, I have the honor to forward, for the information of His Excellency the Governor in Council, copy of a letter No. 1,388, dated 25th idem, from the Chief Engineer in Mysore, on the subject of repairs to Military buildings at certain out-stations in this territory being undertaken by the Executive Officers of the Mysore Public Works Department, and beg to be informed whether the course therein indicated meets with the approval of the Madras Government.

From Colonel E. LAWFORD, R. E., Chief Engineer of Mysore, to the Secretary to the Commissioner for the Government of the Territories of His Highness the Rajah of Mysore, dated Bangalore, 25th July 1865, No. 1,388.

SIR,

1. In acknowledging the receipt of your Docket No. 1,536-181, dated 24th July 1865, forwarding copy of letter No. 2,110, dated 21st July 1865, from the Secretary to the Government of Fort Saint George, Public Works Department, to the Commissioner's address, and with reference to the subject thereof, I have the honor to state that there will be no objection to the works at the stations named being undertaken by this Department, but it will be inconvenient if the funds are supplied by the Executive Engineer of Bangalore, as it will necessitate the opening of two separate accounts by the Officers of this Department.

2. The more simple course will be, when works are to be carried out, for the Officer concerned to make the outlay from his credit order for general purposes, and in the books of this Department the Madras Government will be debited with the amount, as a cash transfer from Mysore, and intimation given to the Controller of Public Works Accounts, Madras, to make a corresponding credit in the books of his Office.

ORDER THEREON, 10th August 1865, No. 2,304.

MILITARY WORKS, No. 19.

1. Communicated to the Superintending Engineer of the 5th Division, for information and guidance with reference to the Orders of Government No. 2,109, dated 21st July 1865.

2. The Government approve of the arrangement recommended in paragraph 2 of Colonel Lawford's letter. It would, however, be more convenient if intimation of the sums debited to the Madras Government from time to time in the books of the Chief Engineer, Mysore, were given to the Controller of Public Works Accounts, through the Superintending Engineer of the 5th Division, and the Commissioner will be informed accordingly.

3. Captain Foord will furnish the Controller with information regarding the works which may hereafter be transferred for execution to the Chief Engineer, Mysore.

Ordered that the following letter be sent:—
