*Proceedings of the Madras Government, Public Works Department,  
11th August 1865.*

No. 277. Read the following letter from Lieutenant-Colonel G. W. WALKER, R. E., Superintending Engineer, 7th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Coonoor, 4th August 1865, No. 79 :—

Sir,

I have the honor to submit for sanction an estimate of Rupees 1,500 for provision of carts and cattle for use in the North Wynad Range of Malabar, in which the experience of last season has shown that a supply of carriage cannot be depended on. The maintenance of the establishment can be defrayed from the sanctions for works, but it is desirable that a grant for its original cost be made from the Rupees 30,000 not specifically allotted out of the entire Budget estimate of Rupees 50,000 for tools and plant to be purchased in India. See printed Budget Part V., page 25.
