*Proceedings of the Madras Government, Public Works Department,
12th August 1865.*

No. 335. Read the following Proceedings of the Madras Government in the
Public Department:—

Directing the Superintendent of Marine
to have the case from Dr. Day, shipped
per "Jessie Isabel," landed on the
arrival of that vessel at Madras, and
addressed to Major W. T. F. Farewell,
Executive Engineer, Ootacamund. (Here enter 9th August 1865, No. 829.)

No. 336. ORDER THEREON, 12th August 1865, No. 2,349.

ESTABLISHMENT, No. 38.

Communicated to Major Farewell,
through the Superintending Engineer of
the 7th Division, for information and
guidance.

Proceedings of the Madras Government, Public Department,
9th August 1865.

No. 37. Read the following letter from Messrs. SMITH ELDER, & Co. of London, to the Honorable A. J. ARBUTHNOT, Chief Secretary to Government, Fort Saint George; dated London, 20th June 1865.

We beg to advise you that we have shipped per the *Jessie Isabel* for Madras to your address, care of Messrs. Parry & Co., our Agents at that port, a case received from Dr. F. Day, for shipment to you; and we trust the same will reach you in due course.

No. 38. ORDER THEREON, 9th August 1865, No. 829.

Communicated to the Superintendent of Marine, who will be good enough to have the case referred to landed on the arrival of the *Jessie Isabel*, and sent to Ootacamund, addressed to the Executive Engineer, Major W. T. F. Farewell. It doubtless contains two slate troughs which Dr. Day proposed to send out, and which he suggested should be despatched to Ootacamund, for the reception of the Trout Ova which he has been commissioned to bring to India.
