Proceedings of the Madras Government, Public Works Department;

14th August 1865.

No. 347. Read the following letter from Captain R. F. OAKES, R. E., Acting Superintending Engineer, 6th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Tanjore, 5th August 1865, No. 710 :—

SIR,

I have the honor to inform you that the Supervisor in charge of No. 5 Range, Tanjore District, for the use of whose Office the purchase of a tent at a cost of Rupees 150 was sanctioned in G. O. No. 895, dated 3rd April last, was not able to purchase one within the end of last year. He has, however, succeeded in buying a tent in July last for Rupees 150, but as the cost thereof has to be charged to the head of Tools and Stores, and as there is no allotment under that head in the Budget of the current year for the Range, I beg that authority may be granted for the appropriation of that sum from the allotment of Rupees 200 for the 1st Range under the head of Tools in the Budget of the current year, and that the remainder, Rupees 50, may be sanctioned for making up an Almira^h for the use of the 1st Range Office, as one is much required for the custody of records. It would appear that in Statement No. V. of the Budget for 1865-66, submitted from this Office, a sum of Rupees 100 was asked for on account of furniture for the 1st Range Office, but this was struck out in Madras, as it does not appear in the printed Budget.

No. 348. ORDER THEREON, 14th August 1865, No. 2,355.

ESTABLISHMENT, No. 40.

1. Under the circumstances explained, the Governor in Council grants authority for the cost of the tent referred to in this letter being charged against the Budget allotment (Rupees 200) for "Tools" in No. 1 Range of the Tanjore District.

2. The Superintending Engineer of the 6th Division is authorized to make up an Almira^h for the use of No. 1 Range* Office, debiting its cost to the source above mentioned.
