*Proceedings of the Madras Government, Public Works Department,
15th August 1865.*

No. 365. Read the following letter from Lieutenant-Colonel G. V. WINSCOM, R. E., Superintending Engineer, 2nd Division, to Colonel C. A. ORR, R. E., Secretary to Government, Department Public Works, dated Camp, Bezwada, 28th July 1865, No. 48:—

SIR,

1. With reference to G. O. No. 1,896, dated 6th July 1865, and to G. O. No. 2,018, dated 15th July 1865, I have the honor to forward a Statement showing the minimum amount required (excluding the Rupees 375 already allotted), viz., Rupees 1,017, for repairs to Public Bungalows in this Division during the current year.

2. I have the honor to point out that nearly all of the Bungalows in the Kistna District were greatly injured by the late hurricane, and the estimates for these repairs amount to no less than 3,451 Rupees, but as I perceive from G. O. No. 2,018, that it is hopeless to expect a larger grant than that now applied for (unless indeed part of the Rupees 7,074, authorized to be expended in the 7th Division, could, considering the emergency of the case, be transferred to this Division) I have restricted my application to the least possible sum.

No. 366. ORDER THEREON, 15th August 1865, No. 2,364.

CIVIL WORKS, No. 48.

No. 2,168, dated 28th July 1865.

1. In paragraph 2 of the Orders noted in the margin, the outlay from Imperial Funds during the current year on repairs to Travellers' Bungalows in each Division, was restricted to Rupees 472. The Government regret that they are unable to sanction the expenditure of a larger sum in the Districts comprised in the 2nd Division. It will be considered in the Revenue Department whether the difference* between this amount and that applied for in the foregoing letter can be allotted from Local Funds.

* Rupees 545.

2. Colonel Winscom will be requested to report from what source the sum of Rupees 472 above mentioned can be diverted. There are no funds at the disposal of Government available for appropriation to Repairs.
