*Proceedings of the Madras Government, Public Works Department,
16th August 1865.*

No. 393. Read the following letter from Lieutenant-Colonel G. W. WALKER, R. E., Superintending Engineer, 7th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Department Public Works, dated Coonoor, 7th August 1865, No. 82 :—

SIR,

1. I have the honor to submit herewith one of the three Estimates alluded to in paragraph 25 of G. O. No. 1,868, of 4th July, viz., for re-building a culvert of four vents on the 5th mile of the road from Caroor towards Trichinopoly, Rs. 1,650.

2. An estimate of Rupees 3,300, for putting this section of road in thorough order was sanctioned in G. O. No. 2,132, of 25th July 1864, but the amount was struck out of my Budget for the 7th Division. Subsequently the unusual rains of May last caused such damage as to render the road impassable, and its repair was ordered to be undertaken emergently from the annual maintenance allowance, pending sanction of the estimate now submitted, which has been revised from that first received from the Range Office. The work for which it provides is actually under construction ; but it is very desirable that special funds should be provided for it, amounting as its cost will to more than one-third the maintenance allowance for the whole mileage of the road within Caroor Range. If this be granted, the Range Officer states that he will dispense with the sanction alluded to at the head of this paragraph.

No. 394. ORDER THEREON, 16th August 1865, No. 2,377.

CIVIL WORKS, No. 53.

1. The Government sanction the estimate of Rupees 1,650, submitted with this letter, for re-building a culvert of four vents on the fifth mile of the road from Caroor towards Trichinopoly. They observe that the work is in progress, and Colonel Walker is authorized to complete it in anticipation of funds being provided later in the year.

2. Referring to the concluding portion of the Superintending Engineer's letter, the Government resolve to cancel the sanction accorded in G. O. No. 2,132 dated 25th July 1864, to an estimate of Rupees 3,300 for the improvement of the road from Caroor to the Trichinopoly boundary.
