No. 401. Read the following letter from Lieutenant-Colonel F. J. MOBERLY, R. E., Superintending Engineer, 8th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Courtallam, 1st August 1865, No. 751:—

Sir,

Enclosure 1.

1. Referring to paragraph 10 of G. O. No. 1,676, 16th June, I have the honor to observe that of the Rupees 54,037 provided in the current year's Budget only Rupees 1,000 are allotted to Tinnevely, none to Madura; while the Revenue Board have in their Proceedings at the head of the above-mentioned Order considered that Rupees 2,500 and 5,410 should be assigned to the two Districts respectively.

2. I have drawn up a statement in accordance with the principle laid down by Government, and trust that I may shortly receive by transfer from other Divisions the amount required to enable me to carry out the acknowledged wants of the Salt Department.

No. 402. ORDER THEREON, 16th August 1865, No. 2,381.

ACCOUNT, No. 62.

1. The Superintending Engineer of the 8th Division has apparently misunderstood the Orders of Government quoted in paragraph 1 of the foregoing letter. In those Orders Superintending Engineers were directed to arrange for carrying out necessary repairs to Salt works from the funds allotted for repairs generally in their respective Divisions.

2. There are at present no funds at the disposal of Government available for appropriation to repairs, but should it hereafter be possible to effect savings in the repair allotments for the other Divisions, the Government will be prepared to consider Lieutenant-Colonel Moberly's application for an additional grant for the 8th Division.
