MADRAS RECORD OFFICE.

Government of Madras.

Public Works DEPARTMENT.

G.O. No. 2411	Press Mia.
462-463	
Dated 19-8	1865.

Not to be folded or roughly handled

*Proceedings of the Madras Government, Public Works Department,
19th August 1865.*

No. 462. Read the following letter from Captain J. F. FISCHER, R. E., Controller of Public Works Accounts, to Colonel C. A. ORR, R. E., Secretary to Government, Department Public Works, dated Madras, 11th August 1865, 960 :—

SIR,

2 Enclosures.

1. In continuation of my letter of the 4th instant, No. 886, I have the honor to forward herewith letters from the Superintending Engineers, 7th and 8th Divisions, stating the Establishments they require to be temporarily attached to their offices for the disposal of the arrears of bills.

2. The Superintending Engineer, 7th Division, states that the time required for the completion of the bills will depend on the period from which Range Officers should submit their accounts to this Office direct. As by G. O. 4th instant, No. 2,286, Range Establishments in the modified scale are to be entertained at once, and Superintending Engineer's Offices reduced simultaneously, it is desirable that a certain date should be fixed up to which Superintending Engineers should cease to be the channel through which the Range accounts are transmitted. I would recommend that the accounts for the current month, to be made up in September, should be forwarded direct; and as from by G. O. 21st July 1865, No. 2,099, it appears that permission has not yet been given for Range Officers to frank their documents direct, this may be now accorded either in anticipation of further orders from the Government of India, or Superintending Engineers can furnish the Range Officers with franked covers or slips to paste on the parcels addressed to this Office.

No. 463. ORDER THEREON, 19th August 1865, No. 2,411.

ACCOUNT, No. 68.

No. 2,361, dated 14th August 1865.

1. The Government have in a separate Order authorized Superintending Engineers to entertain certain temporary Establishments for the final adjustment of the expenditure incurred in their Divisions up to 30th April 1865.

2. With reference to paragraph 2 of Captain Fischer's letter, Range Officers will be required to forward their accounts for the current and all future months direct to the Controller.

3. Pending the receipt of the Orders, which are expected from the Government of India, in respect to the franking of official covers, Superintending Engineers will furnish Range Officers with franked slips, properly addressed, to enable those Officers to communicate with the Controller.

(True Extract.)
