Dated 22 8	1865.

No. 515. Read the following Memorandum from the Chief Secretary to Government, Public Department:—

(Here enter 16th August 1865, No. 323.)

From Lieutenant-Colonel A. C. PEARS, Post Master General, Madras, to the Honorable A. J. ARBUTHNOT, Chief Secretary to Government, Public Department, Fort Saint George, dated Madras, 8th August 1865, No. 2,878.

SIR,

1. With reference to the Order of Government No. 726, dated 8th ultimo, I have the honor to state that the original plan for the Manantoddy Post Office does not provide accommodation for the Postmaster's residence to the extent which it has since been ascertained to be necessary. I subjoin a rough sketch showing the original plan and that which is now proposed in view to enlargement. This sketch was submitted to the Superintending Engineer, 7th Division, who in returning it observed that the cost of the revised plan would be double of that estimated for the original, but that he had no hesitation in stating that the revised plan would be suitable.

2. I think that the revised plan should be adopted, and in view to reduce somewhat the heavy cost anticipated by Colonel Walker would not object to the Godown and Bath-room being struck out.

3. With regard to the site for the Post Office at Vythery, it would appear that the ground has already been selected, and notice given by the Collector to the Superintending Engineer. Mr. Ballara writing on the 23rd November last, stated "I have intimated to Colonel Walker the site chosen for the public buildings at Vythery, and would suggest that the Post Office be undertaken as soon as circumstances will admit."

No. 516. ORDER THEREON, 22nd August 1865, No. 2,438.

CIVIL WORKS, No. 73.

1. Communicated to the Superintending Engineer of the 7th Division for information and guidance, in continuation of the Orders of Government No. 2,017, dated 15th July 1865.

2. Colonel Walker will be requested to submit at an early date a revised plan and estimate for the Post Office at Manantoddy, prepared in accordance with the suggestion contained in paragraph 2 of the Postmaster General's letter.

3. The attention of the Postmaster General will be drawn, through the Public Department, to his omission to state whether he proposes any modifications of the sanctioned plans for the Post Offices at Vithery, Wellington, Pothanoor, and Erode, for the construction of which funds were allotted in G. O. No. 1,282, dated 11th May 1865.
