*Proceedings of the Madras Government, Public Works Department,
22nd August 1865.*

No. 521. Read the following letter from Lieutenant-Colonel F. J. MOBERLY, R. E., Superintending Engineer, 8th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Courtallam, 7th August 1865, No. 750 :—

SIR,

1. I have the honor to request the instructions of Government on the following subject.
2. In granting leave to any of the members of this Division, I have sent to the Controller a Notice drawn up for publication in the "Fort Saint George Gazette," under a wrapper, showing the date of the Officer's return from last leave, &c., and requesting him to forward it to the Press, if there be no objection to the grant.
3. This saves the Controller's writing a reply in most cases, and the delay (eight or ten days) of a reference to and fro, which should only be necessary if there were any objection.
4. Colonel Wilkieson permitted me to pursue this course, but Captain Fischer considers that I am therein acting contrary to Government Orders, desiring a reference to him prior to granting leave.
5. It will be observed that nobody has gone on leave till the notice in the Gazette reached him. I cannot, therefore, understand Captain Fischer's argument, and trust that the Government will allow me to follow this plan, which saves a letter-postage and delay, and has until lately been permitted by the Controller himself.

ORDER THEREON, 22nd August 1865, No. 2,441.

ESTABLISHMENT, No. 64.

The Government are of opinion that there is no objection to the adoption of the course indicated in the foregoing letter, provided, that, except in emergent cases of illness, the leave applied for is not availed of until it has been notified in the Official Gazette.

Sir,

I have the honor to request the instructions of Government on the following subject.

2. On granting leave to any of the members of this Division I have sent to the Comptroller a notice drawn up for publication in the Port Saint George Gazette under a wrapper shewing the date of the Officer's return from last leave year, and requesting him to forward it to the press if there be no objection to the grant.

3. This saves the Comptroller's writing, a repy in most cases, and the delay 18 or 20 days of a reference to and fro - which should only be necessary if there were any objection.

4. Col^l Wilkieson permitted me to pursue this course but Captain Fischer considers that I am therein acting contrary to Government orders, desiring a reference to him prior to granting leave.

5. It will be observed that nobody has gone on leave till the notice in the Gazette reached him.

him. I cannot therefore understand
Captain Stoecker's argument, and trust
that the Government will allow me to —
follow this plan which saves a letter, postage
and delay, and has until lately been —
permitted by the Landrother himself.
