*Proceedings of the Madras Government, Public Works Department,
22nd August 1865.*

No. 523. Read the following letter from Lieutenant-Colonel F. H. SCOTT, Quarter Master General, to Colonel H. MARSHALL, Secretary to Government, Military Department, dated Head Quarters, Ootacamund, 9th August 1865, No. 337-8,027 :—

SIR,

1. In Proceedings of Government, Department Public Works, dated 9th May 1865, No. 1,262, communicated with Military Orders No. 1,830, dated 15th idem, a sum of 80,000 Rupees was set free for Miscellaneous Military Works, in consequence of its original appropriation in the construction of Barracks for two Garrison Batteries in Fort Saint George, having been cancelled.

2. The Commander-in-Chief has hitherto withheld any proposition to Government, as to how the sum should be expended, as he hoped to submit a project for applying it to the construction of latrines throughout the Presidency. There has, however, been so much delay in arriving at an approved plan of the latrine, and as much more time must be taken before it can be built and tested as an experiment, that the Commander-in-Chief is reluctant that the money should any longer remain unappropriated, and he would, therefore, ask Government to use it in the Military Department of the Public Works on such buildings as may from time to time be asked for, preference being given to those applied for on sanitary grounds.
