*Proceedings of the Madras Government, Public Works Department,
22nd August 1865.*

No. 532. Read the following letter from Captain J. F. FISCHER, R. E.,
Controller of Public Works Accounts, to Colonel C. A. ORR, R. E.,
Secretary to Government, Department Public Works, dated Madras, 15th
August 1865, No. 982 :—

SIR,

Government in paragraph 3 of their Orders of the 14th November 1864,
No. 3,260, were pleased to grant an addition of 50 per cent. to the pay* and

travelling allowances of the Range and other Executive Officers and employes of all descriptions in the Wynad, and the bills received thence in this Office have been duly passed : but now since the passing of G. O. of the 17th July last, No. 2,033, a claim is made for 50 per cent. increase on the Civil salary of the grade to which a Military Subordinate belongs, this of course includes his Military pay; the difference of which and that of the Civil salary of his grade is all that the Government authorized to be passed. A question then arises if the 50 per cent. is to be calculated on this difference, or on the total Civil salary of the grade to which the Military Subordinate belongs, as the grant was made specially to meet the heavy expenses of the Members of this Department serving in the Wynad. I conclude the Government intend that the increase of 50 per cent. should be on the total Civil salary of the grade as if he were a Civilian, and I request I may be authorized to pass the same.

No. 533. ORDER THEREON, 22nd August 1865, No. 2,447.

ESTABLISHMENT, No. 67.

The increase of 50 per cent. to be passed to the Military Subordinates in the Wynad should be calculated on the total Civil salaries of the grades to which they may belong.
