*Proceedings of the Madras Government, Public Works Department,
24th August 1865.*

No. 585. Read the following Memorandum from the Commissioner of Mysore, to the Secretary to Government, Public Works Department, Fort Saint George, dated Bangalore, 16th August 1865, No. 1,897-15 :—

With reference to Government letter No. 503-2,079, dated 19th ultimo, forwards for the information of His Excellency the Governor in Council, copy of a letter, No. 1,652, dated 10th instant, from the Chief Engineer in Mysore, on the subject of the proposed Lukhowulli Reservoir in the Nugur Division.

(Signed) L. BOWRING,
Commissioner.

From Colonel E. LAWFORD, R. E., Chief Engineer of Mysore, to the Secretary to the Commissioner for the Government of the Territories of His Highness the Rajah of Mysore, dated Bangalore, 10th August 1865, No. 1,652.

SIR, In returning the plans and correspondence connected with the proposed Lukhowulli Reservoir, forwarded under your No. 1,801-260 of the 9th instant, I have the honor to observe that as the water would apparently submerge the main road leading through Yedhully to Lukhowulli in four places, it seems to me requisite that information should be obtained as to the arrangements which the Irrigation Company propose making for obviating this difficulty.

- 1 Letter No. 503-2,079, dated 19th July 1865, from Secretary to Government Fort Saint George, with Proceedings.
- 1 Plan of the Lukhowulli proposed Reservoir.
- 1 Plan and section at proposed bund site Lukhowulli tank.
