*Proceedings of the Madras Government, Public Works Department,
24th August 1865.*

No. 589. Read the following Proceedings of the Board of Revenue, dated 3rd August 1865, No. 4,607.

Read the following letter from E. G. R. FANE, Esq., Collector of Madras, to R. A. DALYELL, Esq., Acting Secretary to the Board of Revenue, dated Sydapet, 19th July 1865, No. 210:—

SIR,

1. With reference to the Board's Proceedings, dated 6th February last, No. 665, conveying the Order of Government of the 1st idem, No. 189, regarding the amount of compensation payable for the land transferred to the Tramway Company for stations at Arconum and Little Conjeveram; I have the honor to state that the compensation payable for the land transferred to the Company at the latter place amounts to Rupees 3,887-3-0, the extent there transferred to the Company amounting to Cawnies 4-5-3. This, however, includes an old Government building formerly used as a Land Custom Office, and standing on Cawnies 0-4-13; the value of the building, its site, and the premises round it, the Tahsildar puts at Rupees 2,065-3-6, and this sum should be paid to the Government by the Company, as it appears that all lands required by the Company, excepting that required for the line, are to be paid for by them.

2. The station at Arconum, and that between Arconum and Conjeveram, being in the North Arcot District, the Collector of that District should be called upon to report the amount of their compensation.

1. Submitted for the information of Government with reference to their Order, No. 189, dated 1st February 1865, Revenue Department.

2. The Collector of North Arcot will be requested to state what amount of compensation will have to be paid for the land authorized to be transferred to the Tramway Company for the station at Arconum, and for that between Arconum and Conjeveram.

(A true Copy and Extract.)

(Signed) R. A. DALYELL,
Acting Secretary.

Transferred to the Department Public Works, with reference to Proceedings in that Department, dated 23rd January 1865, No. 215.

RAILWAY, No. 2.

1. Ordered to lie over, pending the receipt of a further report from the Board of Revenue, with reference to paragraph 2 of their Proceedings.

2. It is observed that the amount of compensation, viz., Rupees 3,887-3-0, mentioned in the letter from the Collector of Madras, includes Rupees 2,065-3-6 on account of an old building at Little Conjeveram formerly used as a Land Custom Office. This building appears to be identical with that referred to in paragraph 3 of Mr. Cockerell's letter to the Inspector General of Police, No. 173, dated 22nd

No. 958, dated 7th April 1865.

January 1865, and authorized, in the orders marginally noted, to be transferred to the Indian Tramway Company, on the condition that another building, in

an eligible site adjoining the Railway, is constructed at the Company's expense, on a plan to be approved by the Inspector General of Police.

3. If these conditions have been fulfilled, no money compensation is payable to Government by the Company, and the Superintending Engineer of the 4th Division will accordingly report whether the Tramway Company's Engineer has taken possession of and dismantled the old building, and whether any and what measures have been taken by that Officer for the construction of a new one for the accommodation of the Police.
