*Proceedings of the Madras Government, Revenue Department,
8th February 1865.*

No. 143. Read the following Proceedings of the Board of Revenue, dated 22nd December 1864, No. 8,203.

Read the following letter from V. H. LEVINGE, Esq., Collector of Madura, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated 13th December 1864, No. 348:—

1. With reference to the Proceedings of the Madras Government, Public Works Department, dated 5th December 1864, No. 73, informing there are no funds at the disposal of Government for the repair of the Tamukum Bungalow at Madura, I have the honor to request I be permitted to have the repairs executed from the rent, otherwise the building will be scarcely habitable without much inconvenience to the tenant.

2. The rent of the building is now carried to the credit of the Imperial Revenue; but under a letter from the Financial Secretary to the Government of India to the Government of Bombay, dated 20th September 1864, No. 2,497, conveyed in Mr. Accountant General Lushington's letter of the 17th October 1864, No. 2,733, it will hereafter be credited to the Municipal Fund of the Town of Madura, and, therefore, there seems no objection to the repairs being executed from the rent as received. I have already informed the Accountant General in my letter No. 1,324, dated 4th November last, that the value of the building is Rupees 9,875, and the monthly rent is Rupees 50.

1. Submitted for the sanction of Government.

2. The Board do not understand on what principle the rent is considered Municipal income.

No. 144. ORDER THEREON, 8th February 1865, No. 248.

Miscellaneous.

1. The repairs should be executed from the rent as proposed. The amount at which they are estimated, and their nature should be reported. The Collector will also determine, in communication with the Board, whether when the building has been put in a state of thorough repair, its rent will not bear raising from Rupees 50 a month at which it now stands.

2. The Accountant General will be requested to furnish copies of the replies which he may have received to his Circular of the 17th October 1864, No. 2,733.
