*Proceedings of the Madras Government, Public Works Department,
29th August 1865.*

No. 652. Read the following letter from Lieutenant-Colonel J. C. ANDERSON, R. E., Consulting Engineer for Railways, to the Honorable A. J. ARBUTHNOT, Chief Secretary to Government, Fort Saint George, dated Bangalore, 14th August 1865, No. 395 :—

SIR,

1. I have the honor to forward, for transmission to the Government of India, the official year Reports for 1864-65, from the Agents of the Madras* and Great† Southern of India Railways.

* No. 553, dated 2nd August 1865, with five Statements.
† No. 1,685, dated 17th June 1865.

2. The Report from the Madras Railway was only received on the 4th instant, and as there has been considerable delay already, I submit it without subjecting the statements and the figures entered in the Report to any examination.

3. I find that no copies have been retained in this Office of the Reports of previous years, and that I cannot draw any comparisons between the work done, &c., in 1863-64, as compared with 1864-65. I have, however, taken the precaution of having copies made of the Report and statements now submitted, and hope to be able next year to remark on the progress made.

4. In reference to the remarks in paragraph 3 of the Report from the Agent Great Southern of India Railway, I have to observe that this Department has brought to the notice of Government, from time to time, the roads required in connection with the Railway; and that the Proceedings of Government in the Revenue Department of the 4th ultimo, No. 1,526, clearly show that the views expressed by the Agent in regard to the Salt traffic cannot be adopted.

Communicated with Order No. 440, dated 2nd August 1865.

Transferred to the Public Works Department.
