M. Telles, against the late Collector, Mr. Fraser:—

2. The sum of Rupees 270, which appears still due out of the principal amount, has already received the sanction of Government, and will be paid as soon as the Contingent Bill for August, in which it is charged, is received back passed.

3. Interest will, however, be payable, according to the practice of the Court, on both the sum of Rupees 270 and Rupees 596-15-6 from the date of the first payment made to that of the liquidation of the full account. As it is not possible to determine this period exactly, I beg to be permitted to pay the same out of my office permanent fund, in anticipation of sanction.

4. The Board are aware that there is no provision in the Budget to meet the present charge of interest. It should therefore be defrayed from the general savings in the current year's Budget under "B. IV, Miscellaneous," as proposed by the Board in regard to the expenditure previously sanctioned.

Proceedings 14th July 1864, No. 4,403.

The Board of Revenue authorize the Collector to meet the demands in question as an advance, and to submit a Statement of the exact additional charge for which the sanction of Government is required.
