*Proceedings of the Madras Government, Revenue Department,  
8th February 1865.*

No. 152. Read the following letter from P. GRANT, Esq., Collector of Coimbatore, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Koonoor, 18th January 1865, No. 4 :—

SIR,

It appears that many of the cattle in Sattimungalam Cusbah have to be sent to their grazing ground across the Bhowaney bridge. The institution of the toll on the bridge, as lately sanctioned by Government, falls heavily on the owners of these cattle. I therefore request sanction to exempt them from the payment of toll when going *bonâ fide* to graze. The Deputy Collector who resides at Sattimungalam can issue to each owner a ticket, the production of which will be sufficient authority to the Toll-keeper to pass the animals.

No. 153. ORDER THEREON, 8th February 1865, No. 252.

Local Funds.

Before passing orders on this application, which should have been submitted through the Board of Revenue, the Government wish to have before them a report from the Collector as to the number of cattle in the possession of each resident likely to take advantage of the proposed exemption, and the amount of toll which he would have to pay if not exempted. It should also be stated whether the cattle pass the bridge daily or how often, and what they did previous to its construction.

President in his labors of the Cusbeah seem  
entitled to the indulgence proposed, but before  
authorizing the issue of the Defy (or. of the  
Surrender tickets. I think a report should  
be called for by the General showing in round  
numbers the cattle in the possession of each  
band and what to take advantage of the  
Surrender.
