MILITARY DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following papers:—

From the Superintending Engineer, 4th Division, Madras, 27th July 1865, No. 1104;
to the Secretary to Government, Public Works Department.

With reference to Government Order, No. 310, dated 3rd February 1865;

Enclosures.

1 Plan.
1 Estimate (Abstract.)
1 Letter from Quarter Master General,
No. $\frac{117}{6815}$.
Dated 28th June 1865.

I have the honor to forward for the sanction of Government, out of the Reserve under the Head 'Military,' a revised Plan and Estimate for constructing a Shed for Military passengers at Avady, in the Madras District, at a cost of Rupees 2,810.

2. Out-houses have been omitted in accordance with the wishes of His Excellency the Commander-in-Chief, who considers them unnecessary attachments to a building, which on each occasion of its use will be occupied only for a very short time.

From the Quarter Master General, Head Quarters, Ootacamund, 28th June 1865, No. $\frac{117}{6815}$; to the Superintending Engineer, 4th Division.

In returning the Plan and Estimate forwarded with your letter of the 21st instant, No. 670, for the construction of a Shed for the accommodation of Soldiers at Avady, I have the honor, by order of His Excellency the Commander-in-Chief, to say that, as the building is only intended for the cover of men and families awaiting the arrival of the Train, or for giving them cover for the short detention at Avady, prior to their moving off to the Mount or Poonamallee, no Privy or Cook-room is required. The main building seems suitable for the purpose, except that two more windows in the rear wall would improve the ventilation.

Referred to the Military Department.

(Signed) C. A. ORR, Colonel, R. E.,
Secy. to Govt., P. W. D.

1st August 1865.

From the Quarter Master General, Head Quarters, Ootacamund, 19th August 1865,
No. $\frac{408}{8301}$; to the Secretary to Government, Military Department, Fort Saint George.

In reference to your memorandum, dated 9th instant, I have the honor, by desire of His Excellency the Commander-in-Chief, to request you will submit to Government, that only in rare and exceptional cases, are men sent to Poonamallee, via Avady, and never to the Mount. The shed at Avady is not required for their accommodation. It is wanted exclusively for the shelter of men, who are often Invalids, who are either coming down-country to Poonamallee; or going from Poonamallee to up-country Stations. These men are liable to be detained at Avady, either after leaving the Train or awaiting its arrival, and at present there is no cover of any sort for them. The Station house belonging to the Railway is small, and the men could not be allowed to remain in it. Under this explanation, it is presumed the Statement called for will not be required.

ORDER, No. 3269, 4th September 1865.

The Plan and Estimate for the Shed at the Avady Station are approved.
