*Proceedings of the Madras Government, Revenue Department,
5th September 1865.*

No. 64. Read the following Proceedings of the Board of Revenue, dated 31st August 1865.

Read Proceedings of the Madras Government, Revenue Department, dated 17th August 1865, No. 1,909.

1. Ordered that the foregoing Order be communicated to the Collector of Bellary.

2. The road from Codatunny to Kumply having been transferred to the list of imperial lines, the Collector is requested to make over, for the maintenance of the two roads referred to in paragraph 2 of the Order, the sum of Rupees 540, provided for that work in the Local Fund Budget for 1865-66, under the head of Repairs. For the first of the two roads referred to, a sum of Rupees 270 is provided in the current year's Local Fund Budget. The Superintending Engineer proposes a sum of Rupees 1,600 as the maintenance allowance of both the roads, at 50 Rupees per mile; but the sum available from the Budget is only Rupees 810, the difference of Rupees 790 can, however, be met from the Reserve Fund of Rupees 1,713. The Collector will make these transfers in his Local Fund Budget, and communicate the same to the Superintending Engineer.
