*Proceedings of the Madras Government, Public Works Department,
11th September 1865.*

No. 234. Read the following letter from Captain J. G. RYVES, R. E., Superintending Engineer, 1st Division, to Colonel C. A. ORR, R. E., Secretary to Government, Department Public Works, dated Waltair, 28th August 1865, No. 553 :—

SIR,

1. With reference to G. O. No. 2,417, under date 19th instant, I have the honor to report that the repair allotments in this Division have already been reduced so low with a view to provide funds for the prosecution of new works, (which otherwise would have been stopped in consequence of the orders of the Government of India on the Military grant,) that I cannot provide, by transfer from other heads, the farther amount required for repairs to Military buildings at Samulcotta.

2. I am now receiving reports from Ranges in the southern portion of the Division (where there has been a heavy fall of rain) of serious damage to canals and irrigation works by floods, and I fear that I shall not only not be able to transfer funds for the Samulcotta repairs from grants at my disposal under other heads, but I shall have to apply for a considerable increase to those grants.

3. I observe Colonel Winscom states that of the Rupees 2,100 allotted for Military buildings, Rupees 415 only had been appropriated up to the date of his letter, and that the work for which it is proposed to reserve Rupees 1,150 is an unsanctioned new work: under these circumstances, and as the Samulcotta Barracks and Hospital are in need of thorough repair, I trust that the above unappropriated sum, Rupees 1,150, may be transferred to this Division, in addition to the Rupees 535 already placed at my disposal by the Order quoted at the head of this letter.

No. 235. ORDER THEREON, 11th September 1865, No. 2,661.

ACCOUNT, No. 19.

1. The following transfer of funds is sanctioned :—

From Repairs under "Military," Kistna District, Rupees	1,150	To Repairs under "Military," Godavery District, Rupees	1,150
--	-------	--	-------

* Transforming part of the Native Infantry Barracks at Masulipatam into a Commissariat Office.

2. The work* referred to in paragraph 1 of Colonel Winscom's letter, recorded in G. O. No. 2,417, dated 19th August 1865, will be classed as "Original," and, on the receipt of the estimate, funds will be allotted for it from the Reserve under "Military."
