*Proceedings of the Madras Government, Revenue Department,
7th September 1865.*

No. 138. Read the following Proceedings of the Madras Government in the
Public Works Department:—

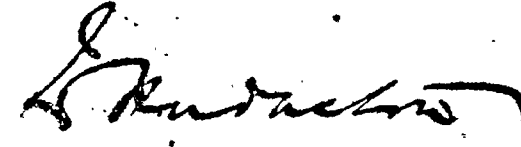

Communicating correspondence relating } (Here enter 28th Aug. 1865, No. 2,496.)
to the subject of the Nundial tank.

No. 139. ORDER THEREON, 7th September 1865, No. 2,125.

Miscellaneous.

1. Communicated to the Board of Revenue.
2. It does not appear that the Company's change of plan, in regard to the inclusion of the tank as part and parcel of the canal, affects the principle of the transfer; but as the water level of the tank is to be raised, its water spread will be extended. The Collector will note the effect of this arrangement.
3. It is observed that it was a condition of the transfer that the Company should maintain the tank in repair.
