*Proceedings of the Madras Government, Revenue Department,
7th January 1865.*

No. 64. Read the following Proceedings of the Board of Revenue, dated 20th December 1864, No. 8,155.

Read the following letter from G. BANBURY, Esq., Acting Collector of North Arcot, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated Chittoor, 3rd November 1864, No. 286 :—

1. I have the honor, with reference to the Proceedings of the Board, dated 28th October 1863, Nos. 6,883, 6,884 and 6,885, to enclose a Statement shewing the Inám lands taken up for public purposes in this District, and those to be granted in lieu, with the compensation proposed to be given. These Ináms having been enfranchised, and Title Deeds granted for them by the Inám Commissioner, the tabular Statement prescribed for reporting lapses of Ináms, as required in the Board's Circular of the 10th July 1858, need not, I presume, be now sent; nor is all the information necessary to frame such a Statement just now obtainable, unless fresh inquiries be set on foot.

2. In two of the cases entered in the enclosure, the Inámdars having asked for a pecuniary indemnification, no fresh land is proposed to be granted to them.

3. I beg to request that sanction may be obtained for granting the fresh land applied for, and for disbursing the several amounts specified to the Inámdars as indemnification.

Proceedings of the Madras Government, Revenue Department,
7th January 1865.

CHITTOOR, November 1864.

Proceedings of the Madras Government, Revenue Department,
7th January 1865.

1. Ordered that the foregoing papers be submitted to Government with the Board's recommendation that the Cawnies 3 A. 6 C. 4, of fresh land, assessed at Rupees 19-3-10, proposed to be given in exchange for Cawnies 3 A. 5 C. 0, of Inám, bearing an assessment of Rupees 22-8-1 taken up for public works, be sanctioned, as well as a money compensation of Rupees 16-6-0 for loss of income on a portion of the old land.

2. In addition to the above, Cawnies 0 A. 7 C. 8, assessed at Rupees 3-2-6, were also appropriated for public purposes; but the Inámdars having preferred a pecuniary equivalent, Rupees 66-2-6 (being about twenty-one years' purchase of the assessment) have been fixed by arbitrators, and the interest at five per cent. upon this sum for the nine years that the Inámdars have been out of possession of their lands amounts to Rupees 29-12-4.

3. The aggregate amount for which sanction is now requested is thus Rupees 112-4-10.

4. The Acting Collector should have mentioned in his letter the aggregate extent of old Ináms taken, and of fresh land proposed to be granted, as well as the total sum to be disbursed, and for which sanction is necessary. The totals of the several columns in his Statement should also have been given.
