MILITARY DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter:—

From the Medical Store-keeper, Fort Saint George, 31st August 1865, No. 175; to the Secretary to Government, Department Public Works, Madras.

I have the honor to acquaint you that an Aneroid Barometer having recently been returned into the Medical Stores here, as unserviceable, I forwarded it to the Government Astronomer, with a request that he would favor me with his opinion, to whether or not the Instrument could be repaired here.

2. In his reply, Mr. Pogson informs me that the Barometer had been at his request, examined by Mr. Doderet, the Mathematical instrument maker to the Department Public Works, who said, that it merely required cleaning, and could be made as good as new.

3. I, therefore, solicit the favor of your permitting me to send the instrument to Mr. Doderet for repair:—and as there are other five Aneroids in Store, which, having been here a long time, may also probably need cleaning, I shall feel obliged if you will kindly allow these to be sent at the same time for examination and repair, if necessary.

ORDER, No. 3331, 7th September 1865.
