*Proceedings of the Madras Government, Public Works Department,
15th September 1865.*

No. 356. Read the following letter from Captain J. G. RYVES, R. E., Superintending Engineer, 1st Division, to Colonel C. A. ORR, R. E., Secretary to Government, Department Public Works, dated Waltair, 30th August 1865, No. 820 :—

SIR,

1. With reference to G. O. No. 1,890 of 6th ultimo, I have the honor to report that the estimate for the Karasa Gully and Gazoowaka road, prepared in October 1862, was sanctioned by Government in their Order No. 724 of 23rd March 1863.

2. The tools, the value of which is now charged in the accounts of the above road, do not appear to have been used on that road, they having been purchased for use on the works of No. 2 Range, Vizagapatam, generally.

3. The estimate for the road, though prepared prior to the promulgation of the Orders marginally noted, does not contain provision for tools.

No. 1,365 of 11th May 1864.

4. As, however, it is necessary to credit the work with the sum of Rupees 321-12-10, (the value of tools,) as a previous year's recovery, (which should be paid into the Treasury,) by debiting a corresponding sum to "Tools and Stores," I have the honor to request that a sum of Rupees 322 may be transferred to the road under reference from the current year's grant, Rupees 1,393, for the road from Gazoowaka to Nellimookoo.

No. 357. ORDER THEREON, 15th September 1865, No. 2,719.

ACCOUNT, No. 31.

Under the explanation afforded in this letter, the Government approve of the diversion of Rupees 322 from the grant for the road from Gazoowaka to Nellimookoo to the road from Karasa Gully to Gazoowaka, in the Vizagapatam District. The latter work should now be credited with the amount irregularly charged to it, and the allotment of the current year for "Tools and Stores" debited with the sum reported to have been expended in the purchase of tools for use on the works of No. 2 Range, in the Vizagapatam District.
