Proceedings of the Madras Government, Public Works Department, 26th September 1865.

No. 635. Read the following letter from Lieutenant-Colonel G. W. WALKER, R. E., Superintending Engineer, 7th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Department Public Works, dated Camp, Trichoor, 15th September 1865, No. 128:—

SIR,

1. I have the honor to submit for sanction an estimate* of Rupees 1,028, for providing metal for a portion of the coast road between Calicut and Beypoor, for which the maintenance allowance is insufficient. Labor will be furnished by Convicts from the Jail.

* No. 32 of 1865-66.

2. The necessary funds may be spared from the sanction of Rupees 3,000 for the northern approach to the Shoranoor iron girder bridge, sanctioned in G. O. No. 1,789 of 28th June. I have every assurance on the spot that the bridge will not be completed by May next, so that if the approach but keeps progress with it, that will suffice; and the money now to be transferred can be re-placed in May, at latest, if required.

No. 636. ORDER THEREON, 26th September 1865, No. 2,855.

CIVIL WORKS, No. 86.

1. The estimate submitted with this letter is sanctioned. The charge will be met as proposed.

2. The probable value of the Convict labor to be used should have been shown at the foot of the estimate, in accordance with G. O. 16th November 1864, No. 3,292.
